Does filing only apply to certain territory (territories) or certain classes? If so, specify: All classes and territories are affected by this change. We are doing a complete line of business rewrite.

Brief description of filing. (If filing follows rates of an advisory organization, specify organization): We are making several changes to our inland marine classes. First, we are switching to a \$500 base deductible from a previous \$250 base. Second, we are amending our minimum premiums throughout the manual. (It varies by type of insurance.) Finally, we have deleted the mandatory premium factors. Also, we have tried to amend rates so that most lines and territories have no net effect by these changes.

*Adjusted to reflect all prior rate changes.

**Change in Company's premium level which will result from application of new rates.
